### ANNOUNCEMENTS

**Representative**  
CARR—The Herald is authorized to announce Sid F. Carr as a candidate for Representative from Putnam county, subject to the Democratic primary election August 1, 1918.

### WANETTE, OKLA.

It's been so long since I've added a few words to our paper it seems as though I should try and let all my old friends and relatives know where I am at. I still stay at the same old place and will say that everybody is progressing nicely. It has come a few big rains of late and thrown the farmers behind with their work, but corn is up and most everything except cotton and but little of that has been planted so far. Gardens are looking well, considering the heavy rains.

I have still been reading the good letters in the Herald from all the soldiers and will say they are something to read. I wish the paper could be filled with our soldiers' letters each week, but am sorry for the dear boys that have to face the front. It sure is a burden to us at home to give them up, but for our country it will be a blessing. Was so glad to read a letter in the Herald from my cousin, E. N. Henry. I didn't think of him being in the army, but there are lots of them in the camps that I know nothing about.

I haven't any special subject to write on, but if I could write and cheer the boys in the army I would be glad to do so. One thing I think should be written mostly is the way our boys are living in the army. I don't say that all are on the wrong

road, but as Mrs. Dahuff writes, all should be prepared to meet the Lord as well as those fierce Germans. A graduate of the United States naval academy, an officer who has seen long and honorable service, says: "If I were to start out to advise our boys, my first would be to live for what you would like to be at sixty." Of course sixty looks to you a long way off; twenty-five or even twenty is getting on from your point of view, and forty is extremely so, but you will wonder some day how quickly sixty comes, and what you would be at that age. When some of you have a considerable time to live will mean much, for if you aim to be a fine man at sixty you will have to be a fine man through life. And let me say, you cannot trifle through with such an aspiration. Every evil act, every evil thought will count heavily against you, and you will remember to your deep regret every one of such things when you come to sit down and think over life at sixty. Boys who read this, don't think I am a preacher. I know much to say, but am thinking of life as an educational matter. The word education is one of the most meaningful of words. Its aim is to draw out the best in you. The mere acquirement of information is a small thing. The gist of the matter is in the manner of acquirement and the use you put it to. If the manner and use do not produce character in the large, broad sense, your effort at education is a failure, for the only really valuable thing in the world is character. If you have it you need not fear that you will be overlooked, for the search is of too sharp a character to conceal itself.

We are having several things to do here to raise money to help the war. A pie supper was given for the support of the Red Cross at Mt. Zion last Tuesday night and \$124 raised. O. G. HENRY.

### COOKEVILLE ROUTE 2

We are having plenty of rain and muddy roads at present. All the trees and grass are green and beautiful.

Sunday school has been reorganized at Lee's Seminary and also Cane Creek. Everybody come out these nice warm Sundays and let us make the school a success.

Mrs. Etta Barr has returned home after taking a pleasant trip to Nashville, accompanied by Mr. and Mrs. Nelly Barr and Charlie Dalton of Baxter.

Florence and Jessie Taylor returned home Saturday the school being out at Baxter. Jessie has received her eighth grade certificate and is now ready to enter high school.

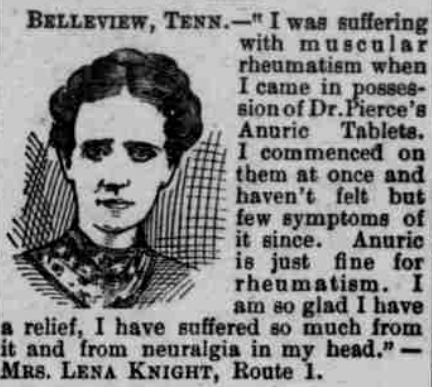

Come on you soldier boys, your letters are always read with much interest and respect for the brave defenders of our lovely country. From what I can hear most all the soldier boys are anxious to get across the great big pond, which shows that they are patriotic and loyal to the Star Spangled Banner we all love so well. I hope Mr. Kaiser will soon get his fill of war and be forced to stop his fiendish plotting and disreputable treatment of the innocent children in the overrun countries.

Everybody buy thrift stamps, if you cannot buy liberty loan bonds. Perhaps you think that you cannot do enough to help any, but if every person of the more than one hundred million in the United States would only buy one thrift stamp, just look how that would help. It is your patriotic duty to help win the war by purchasing thrift stamps and liberty loan bonds. We just simply must win the war. So let us all get busy and do our part. Every time you spend a quarter for a thrift stamp you are helping drive a nail in the Kaiser's coffin.

Rev. J. B. Dickens preached a very interesting sermon to a good sized audience at Pleasant Valley Sunday morning and also helped in organizing Sunday school at that place.

## Success of a New Remedy For Backache, Kidneys, Rheumatism

BELLEVUE, TENN.—"I was suffering with muscular rheumatism when I came in possession of Dr. Pierce's Anuric Tablets. I commenced on them at once and haven't felt but few symptoms of it since. Anuric is just fine for rheumatism. I am so glad I have a relief, I have suffered so much from it and from neuralgia in my head." — Mrs. LENA KNIGHT, Route 1.

NOTE: Folks in town and adjoining counties are delighted with the results they have obtained by using AN-U-RIC, the newest discovery of Dr. Pierce, who is head of the Invalids' Hotel and Surgical Institute, in Buffalo, N. Y. Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort, and new strength they obtained from Doctor Pierce's Anuric Tablets, double strength. To prove that this is a certain uric acid solvent and conquers headache, kidney and bladder diseases and rheumatism, if you've never used the Anuric, send ten cents to Dr. Pierce for a large trial package. This will prove to you that Anuric is many times more active than lithia in eliminating uric acid. If you are a sufferer, go to your best druggist and ask for a small bottle of Anuric.

The poisons in your system can be thrown out by taking Dr. Pierce's Pleasant Pellets, composed of May-apple, aloes, root of jalap, sugar-coated, and sold by all druggists.

### VICKSBURG, MISS.

While the fate of all mankind is trembling in the balance, and millions of men engaged in the tempest and whirlwind of battle are struggling for our safety, our freedom, our future, the thought uppermost in every patriotic heart is what can I do to help win? We have not been called to meet the foe breast to breast but there are still vital ways in which we can aid. One of these is by participating in the third liberty loan which is now in progress. A man's money is in a real sense a part of himself. When you make a dollar you have put into the making your energy, your thought, your time, yourself. When that dollar, therefore, along with others, buys material that enables our men to place a curtain of fire before the advancing waves of hostile forms, you, in the measure that you have contributed, are protecting them and helping to defeat the enemy. The Life and Casualty Insurance Company, which I represent, has already bought \$25,000 of the third liberty loan bonds, and I am sure all the good people in the United States will put all the dollars they can into these bonds, and it is a satisfaction to know that we are helping in this manner.

Many fathers and mothers are giving their sons, sisters, brothers, wives their husbands—and we should lend our money to help protect the flag—a flag that always stood for the right that always will stand for the right, a flag that never went down in defeat and that never will. You are asked to loan the government every dollar you can spare to help protect this flag. You should be willing to do this because the government's interest is your interest—it protects your home, your family, your freedom and your life. The government must have an enormous sum of money. The time is short, he needs it great. Do your share quickly. Buy all the liberty bonds you possibly can. These bonds are the safest investment in the world. They pay interest. You can buy them at any bank or trust company and at many department stores. The terms are easy. Let us all be up and doing. HARVEY C. FORD.

We make all the harness we sell. Our shop-made harness is much better than the factory-made harness. We know this to be a fact for we have sold both. You can't afford to buy shipped harness when you can buy our shop-made harness. Jere Whitson Hardware Co.

### ROCKY POINT

Rev. Frank Henry filled his regular appointment at this place Sunday. Sunday school was organized at this place on the fifth Sunday in March by V. E. Jernigan, and is progressing nicely, with T. J. Jackson as superintendent. A real interesting talk was made by Mr. Jernigan, which was enjoyed very much by all. I am very sure that if we all will do as Mr. Jernigan told us we will have a more interesting and better attended Sunday school this year than we ever had in the past, for that is what it takes to make a good Sunday school—good attendance and people who are interested in the welfare of their souls and want to help make the children better boys and girls.

We hear some people say that this will be the hardest year to keep the Sunday school going on with a good attendance that ever has been. This may be the case, but I can't see why, for if there ever was a time when people ought to be living close to God it is at the present time. People are not praying enough. We need more true-hearted Christians to work for Jesus, and help to Christianize the world. Sin is the cause of the great trouble in the world today. I believe that if all of our soldier boys were soldiers for Jesus Christ, and more people of our country were true-hearted Christians the war would not last long, for God has the power to do anything.

So let us work for God this year and make our Sunday school the best and most successful one that we have ever had at this place. GRACE CLOUSE, Cor. Sec.

## STOP INDIGESTION WITH VIN HEPATICA

There's not a bit of use in your having to be aggravated with a sour stomach, or suffering from a heaviness in your chest or stomach after every meal you eat.

That's indigestion. And, if let run on, more serious complications are sure to arise, and the first thing you know you are in a mighty bad fix. It upsets your whole system, throws you all out of gear.

Get yourself a bottle of Vin Hepatica prescription, and take plenty of it. It goes right to the seat of the trouble at once. It is nature's own prescription for the relief of indigestion and other disorders of the stomach, kidney, liver and bowels. Come in and get a bottle, on our recommendation. ## THOMPSON

Registry No. 9795. This jack was sired by Paragon, Jr., registered. First dam by Long Tom; second dam by Duponted Jumbo, imported. I bought this fine jack from Thompson Bros., at Lebanon, Tenn., at the highest price that has been paid for a jack at his age—\$600 before he was

two years old. This great, mammoth jack is 16 hands high, and weighs 1,000 pounds while thin; will weigh 1,100 with flesh. He is black, with white points; fine form; good foot and bone, and the finest head and ear. Has proven to be a good breeder, five years old. This jack will make this season at my place at the low price of \$10 to insure a live calf. I also have two other fine jacks that will stand at \$5, which is a very

low price, considering the kind of stock we have. Also have three fine horses. I feel that with 3 years' experience I am as well fitted to serve the public as anyone, perhaps, in the county. I most highly appreciate your past favors and thank you in advance for future patronage.
